SUBJECT: DEMARCHE RESPONSE ON GLOBAL MARITIME PARTNERSIHPS
(GMP)

REF: STATE 50488

1. (U) In a meeting on May 16, 2008 with Directorate General of Sea Transportation Director of Sea and Coast Guard Control and Security Djoni Algamar, Deputy Untung (one name only) and Head of Security Affairs Muhklis Tohepaly, they indicated initial interest in the Global Maritime Partnerships (GMP) initiative. They mentioned two areas of possible cooperation: illegal fishing and illegal export of oil. They said Indonesia's participation in GMP activities must be coordinated through their Ministry of Foreign Affairs. They requested further information, including the origins of this initiative, a list of partner countries and a mechanism, such as a website, for plugging into the GMP network.

2. (U) In a meeting on June 12, 2008 with Indonesian Ocean Council (responsible for policy development and coordination) Secretary Dr. Rizald Rompas, Head of Sekretariat Dasril Munir and Head of Planning and Evaluation Sumaryono, they responded positively to GMP principles. They recommended the GMP initiative be supported by an organization to provide more structure and regular contact among the participants, such as an annual conference, for sharing ideas. Rompas said the Council could be part of such an organization. They suggested two topics for GMP activity: monitoring activity along long coastlines and illegal fishing.
